

Nordent®

Instruments of excellence for the dental industry

BECAUSE WE MAKE THE MOST
IMPORTANT INSTRUMENTS
IN THE WORLD...YOURS!

C₃ CONCIERGE CUSTOM CASSETTES

Save time and money while protecting your instruments with Concierge Custom Cassettes. Our revolutionary **Snap-IN-Silicone™** rails securely hold instruments in place during sterilization and procedures.

KEEP YOUR KITS ORGANIZED AND SECURE

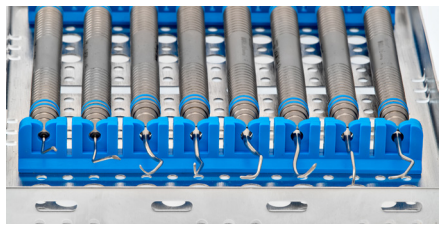

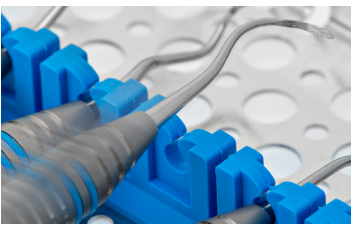

The C3 system with **Snap-IN-Silicone™** rails is built to keep your instruments in place until you need them. Instruments no longer lay on top, but actually snap in place to keep them secure. With snap in, snap out silicone technology and secure locking cassettes you can save time, protect sterilized instruments, incur less breakage and reduce the risk of sharp injuries.
